

ORDER FORM

For RecycleSpot.org Promotional Materials

The MARC Solid Waste Management District's www.recyclespot.org is an interactive online database of recycling information for residents of the nine-county, bistate Kansas City region. A number of promotional materials are available at no cost, in limited quantities while supplies last, to cities, counties and non-profit agencies that would like to help promote this service.

To order, fax this form to Matt Riggs, MARC Environmental Programs, at 816/421-7758, or e-mail your request to mriggs@marc.org.
