

# Tips for gathering your HHW for safe disposal

Seal containers tightly.

Bring items in their original containers inside a sturdy box.

If original container is leaking or damaged, transfer product to a safe container and re-label.

Don't mix products together.

Be prepared to leave your containers. Containers such as gasoline cans will not be returned at mobile events.

## 2017 HHW Mobile Collection Schedule

Events run from 8 a.m.–noon unless otherwise noted. Check [RecycleSpot.org](http://RecycleSpot.org) to confirm event locations.
